

International Society of Family History Writers and Editors

Excellence-in-Writing Competition Contest Winners - Alphabetical Listing 1989-2012

Over the years the Excellence-in-Writing Competition has evolved. Not only has the name of the organization changed from the Council of Genealogical Columnists to the current International Society of Family History Writers and Editors, but the categories of the competition have changed to better reflect the makeup of the membership. In 2011 the competition was opened to non-members. To find a particular person among the winners (top 3 places in each category), the following index is provided, showing the year in which the individual received an award.

We appreciate and respect all of those who have participated in this competition, and congratulate those who were acknowledged to have the most outstanding entries in each category each year.
